Chartered by the state of Georgia in 1785, the University of Georgia is the birthplace of public higher education in America. What began as a commitment to educate and inspire the next generation grows stronger today through hands-on experiential learning, global research, and extensive outreach. The University of Georgia tackles some of the world’s grand challenges—from combating infectious diseases and securing the world’s food supply to promoting economic vitality. Our nation’s great tradition of public higher education is rooted in the Classic City of Athens, and Georgia’s flagship university continues to be a leader in higher education.

The history of academic dress dates back to the Middle Ages. In the late 19th century, representatives from American colleges and universities met at Columbia University to make recommendations for the dress code in use today. Bachelors’ gowns have closed fronts and long pointed sleeves. Masters’ gowns have oblong sleeves open at the wrists. The rear part of the oblong shape is square cut, and the front part has an arc cut. Gowns may be worn either open or closed. Doctors’ gowns have bell-shaped sleeves, velvet facings down the front, and three bars across the sleeves. The colors of these facings and crossbars represent the subject to which the degree pertains.

Hoods are the most distinctive feature of the American code and are generally black. All are lined in silk with the official colors of the university or college conferring the degree. The University of Georgia colors are red and black. The binding or edging of the hood is velvet with the color often indicative of the subject to which the degree pertains.

The black mortarboard cap and tassel is worn for all degrees. Bachelors’ degrees have color tassels appropriate to the subject. The black tassel is worn for all advanced degrees. The colors associated with the subjects are as follows:

A fourragère (braided cord) is worn on the left shoulder of each First Honor Candidate. A red, silver, and black cord is worn by students selected by their deans to receive the University of Georgia Award of Excellence, presented at the Presidential Honors Day Luncheon. Multi-colored tassels as indicated below are worn by all honors candidates:

- **Cum Laude** / red and black
- **Magna Cum Laude** / red and silver
- **Summa Cum Laude** / red, silver, and black

The 48-inch mace is made of mahogany with the seal of the University on four sides. It is engraved with the name of each School or College at the University of Georgia and the year of its founding. The Grand Marshal leads the academic processional carrying the mace.

The chain of office features a silver medallion of the University of Georgia seal. The chain lists the twenty-two presidents of the University of Georgia and their years of service. The chain of office is worn by the President of the University at each Commencement ceremony.

One of the most decorated American athletes of all time, Allison Schmitt is a four-time Olympian and ten-time Olympic medalist in swimming. A veteran leader, Schmitt, known as “Schmitty”, was elected captain by her teammates at the 2016 and 2020 Olympic Games. She is still the current American record holder in the 200-meter freestyle, which she has held since 2009.

Out of the pool, she is an avid mental health advocate, speaking out about her personal struggles with depression and her family’s tragedy of losing a loved one to suicide. Passionate about raising awareness and helping those who are battling mental health issues, Schmitt graduated in May 2023 with a master’s degree in social work from Arizona State University, a degree she received 10 years after earning her bachelor’s degree in psychology from UGA. She always intended to teach once her professional swimming career ended. Now, she plans to use her degree, her athletic experiences, and her education skills to empower others to overcome personal battles allowing them to grow in their own journey. Allison Schmitt is committed to making a difference by positively impacting the lives of others.

JURIS DOCTOR

Sierra H Stanfield
ALMA MATER

From the hills of Georgia’s northland
Beams thy noble brow,
And the sons of Georgia rising
Pledge with sacred vow.

’Neath the pine trees’ stately shadow
Spread thy riches rare,
And thy sons, dear Alma Mater,
Will thy treasures share.

And thy daughters proudly join thee,
Take their rightful place,
Side by side into the future,
Equal dreams embrace.

Through the ages, Alma Mater,
Men will look to thee;
Thou the fairest of the Southland,
Georgia’s Varsity.

CHORUS

Alma Mater, thee we’ll honor
True and loyal be,
Ever crowned with praise and glory,
Georgia, hail to thee.

By J.B. Wright, Jr., Class of 1912
Third verse by Gail Carter Dendy, A.B. ’74, M.A. ’81
UGA's Campus Arboretum serves classes in botany, forestry, ecology, horticulture, landscape architecture, art and photography as a natural extension of the classroom.
