

UNIVERSITY OF GEORGIA COMMENCEMENT

THE GRADUATE SCHOOL

MAY 8, 2025

Chartered by the state of Georgia in 1785, the University of Georgia is the birthplace of public higher education in America. What began as a commitment to educate and inspire the next generation grows stronger today through hands-on experiential learning, global research, and extensive outreach. The University of Georgia tackles some of the world's grand challenges—from combatting infectious diseases and securing the world's food supply to promoting economic vitality. Our nation's great tradition of public higher education is rooted in the Classic City of Athens, and on its 240th anniversary Georgia's flagship university continues to be a leader in higher education.

ACADEMIC REGALIA, MACE, AND CHAIN OF OFFICE

The history of academic dress dates back to the Middle Ages. In the late 19th century, representatives from American colleges and universities met at Columbia University to make recommendations for the dress code in use today. Bachelors' gowns have closed fronts and long pointed sleeves. Masters' gowns have oblong sleeves open at the wrists. The rear part of the oblong shape is square cut, and the front part has an arc cut. Gowns may be worn either open or closed. Doctors' gowns have bell-shaped sleeves, velvet facings down the front, and three bars across the sleeves. The colors of these facings and crossbars represent the subject to which the degree pertains.

Hoods are the most distinctive feature of the American code and are generally black. All are lined in silk with the official colors of the university or college conferring the degree. The University of Georgia colors are red and black. The binding or edging of the hood is velvet, with the color often indicative of the degree being awarded.

The black mortarboard cap and tassel is worn for all degrees. Bachelors' degrees have color tassels appropriate to the subject. The black tassel is worn for all advanced degrees. The colors associated with the subjects are as follows:

Agriculture / <i>maize</i>	Law / <i>purple</i>
Arts and Letters / <i>white</i>	Music / <i>pink</i>
Business and Accounting / <i>drab</i>	Pharmacy / <i>olive green</i>
Education / <i>light blue</i>	Philosophy / <i>dark blue</i>
Engineering / <i>orange</i>	Public Administration / <i>peacock blue</i>
Environmental Health / <i>mint green</i>	Public Health / <i>salmon pink</i>
Family and Consumer Sciences / <i>maroon</i>	Science / <i>golden yellow</i>
Fine Arts and Landscape Architecture / <i>brown</i>	Social Work / <i>citron</i>
Forestry and Natural Resources / <i>russet</i>	Veterinary Science / <i>gray</i>
Journalism / <i>crimson</i>	

The 48-inch mace is made of mahogany with the seal of the University on four sides. It is engraved with the name of each School or College at the University of Georgia and the year of its founding. The Grand Marshal leads the academic procession carrying the mace.

The chain of office features a silver medallion of the University of Georgia seal. The chain lists the twenty-two presidents of the University of Georgia and their years of service. The chain of office is worn by the President of the University at each Commencement ceremony.

FEATURED SPEAKER

K. PAIGE CARMICHAEL

*Professor of
Veterinary Pathology
Josiah Meigs Distinguished
Teaching Professor
University of Georgia*

Dr. K. Paige Carmichael is Professor of Veterinary Pathology at the University of Georgia College of Veterinary Medicine (CVM). Dr. Carmichael received her Doctor of Veterinary Medicine degree from Tuskegee University School of Veterinary Medicine (TUSVM) in 1987. She completed a combined pathology residency/Ph.D. at UGA in 1994 and became Board Certified in Veterinary Anatomic Pathology in 1995.

Her passion is teaching, and she has been awarded numerous teaching awards including the Lilly Teaching Fellowship, the Norden-Pfizer Teaching Award, and the Tyler Award for Teaching Innovation. She was inducted into the University's Teaching Academy in 2005. In 2006, she became the first African American professor at UGA to receive the Josiah Meigs Distinguished Teaching Professorship.

She has been a leader on campus and in the field of veterinary medicine. She served as CVM's Associate Dean for Academic Affairs from 2006 to 2015. She helped found the UGA Teaching Academy Early Career Fellows program and is the co-chair of the UGA Teaching Academy. Carmichael currently runs the Diagnostic Ocular Pathology Service and serves as the director of the UGA One Health undergraduate degree program.

Carmichael's leadership in the field of veterinary medicine has been recognized at UGA and nationally. She was elected to the board of directors of the American College of Veterinary Pathologists in 2021. In 2023, she received UGA's Faculty Service Award. She has been honored with the Distinguished Alumnus Award from both universities from which she graduated.

ALMA MATER

From the hills of Georgia's northland
Beams thy noble brow,
And the sons of Georgia rising
Pledge with sacred vow.

'Neath the pine trees' stately shadow
Spread thy riches rare,
And thy sons, dear Alma Mater,
Will thy treasures share.

And thy daughters proudly join thee,
Take their rightful place,
Side by side into the future,
Equal dreams embrace.

Through the ages, Alma Mater,
Men will look to thee;
Thou the fairest of the Southland,
Georgia's Varsity.

CHORUS

Alma Mater, thee we'll honor
True and loyal be,
Ever crowned with praise and glory,
Georgia, hail to thee.

By J.B. Wright, Jr., Class of 1912
Third verse by Gail Carter Dendy, A.B. '74, M.A. '81

UGA is celebrating the 25th anniversary of the Athens campus' designation as an arboretum. The arboretum serves both educational and campus beautification missions, acting as a natural extension of the classroom.
