

UNIVERSITY OF GEORGIA COMMENCEMENT

BACCALAUREATE

MAY 9, 2025

Chartered by the state of Georgia in 1785, the University of Georgia is the birthplace of public higher education in America. What began as a commitment to educate and inspire the next generation grows stronger today through hands-on experiential learning, global research, and extensive outreach. The University of Georgia tackles some of the world's grand challenges—from combatting infectious diseases and securing the world's food supply to promoting economic vitality. Our nation's great tradition of public higher education is rooted in the Classic City of Athens, and on its 240th anniversary Georgia's flagship university continues to be a leader in higher education.

ACADEMIC REGALIA, MACE, AND CHAIN OF OFFICE

The history of academic dress dates back to the Middle Ages. In the late 19th century, representatives from American colleges and universities met at Columbia University to make recommendations for the dress code in use today. Bachelors' gowns have closed fronts and long pointed sleeves. Masters' gowns have oblong sleeves open at the wrists. The rear part of the oblong shape is square cut, and the front part has an arc cut. Gowns may be worn either open or closed. Doctors' gowns have bell-shaped sleeves, velvet facings down the front, and three bars across the sleeves. The colors of these facings and crossbars represent the subject to which the degree pertains.

Hoods are the most distinctive feature of the American code and are generally black. All are lined in silk with the official colors of the university or college conferring the degree. The University of Georgia colors are red and black. The binding or edging of the hood is velvet with the color often indicative of the degree being awarded.

The black mortarboard cap and tassel is worn for all degrees. Bachelors' degrees have color tassels appropriate to the subject. The black tassel is worn for all advanced degrees. The colors associated with the subjects are as follows:

Agriculture / <i>maize</i>	Law / <i>purple</i>
Arts and Letters / <i>white</i>	Music / <i>pink</i>
Business and Accounting / <i>drab</i>	Pharmacy / <i>olive green</i>
Education / <i>light blue</i>	Philosophy / <i>dark blue</i>
Engineering / <i>orange</i>	Public Administration / <i>peacock blue</i>
Environmental Health / <i>mint green</i>	Public Health / <i>salmon pink</i>
Family and Consumer Sciences / <i>maroon</i>	Science / <i>golden yellow</i>
Fine Arts and Landscape Architecture / <i>brown</i>	Social Work / <i>citron</i>
Forestry and Natural Resources / <i>russet</i>	Veterinary Science / <i>gray</i>
Journalism / <i>crimson</i>	

A fourragère (braided cord) is worn on the left shoulder of each First Honor Candidate. A red, silver, and black cord is worn by students selected by their deans to receive the University of Georgia Award of Excellence, presented at the Presidential Honors Day Luncheon. Multi-colored tassels as indicated below are worn by all honors candidates:

Cum Laude / red and black
Magna Cum Laude / red and silver
Summa Cum Laude / red, silver, and black

The 48-inch mace is made of mahogany with the seal of the University on four sides. It is engraved with the name of each School or College at the University of Georgia and the year of its founding. The Grand Marshal leads the academic procession carrying the mace.

The chain of office features a silver medallion of the University of Georgia seal. The chain lists the twenty-two presidents of the University of Georgia and their years of service. The chain of office is worn by the President of the University at each Commencement ceremony.

FEATURED SPEAKER

JARRYD J. WALLACE *Four-Time Paralympian and
Two-Time Bronze Medal Winner*

Jarryd Wallace is a four-time Paralympian and winner of two bronze medals.

Born and raised in Athens, Wallace was a state champion cross country runner and was attending UGA on a track scholarship when complications from compartment syndrome changed his plans. During his junior year in 2010, he started feeling pain in his right shin then ultimately underwent 10 surgeries over two years. After those surgeries, he made the decision to have his leg amputated from the knee down.

The surgery gave him a second chance, and less than a year and a half later, he set a world record in the 100-meter sprint at the Parapan American Games. Now he is a three-time gold medalist in the World Para Athletics Championships and has competed in the past four Paralympic Games.

After years of professional success in sprinting, including a bronze medal in the 2020 Paralympic Games, Wallace decided to shift to the long jump. The transition, while difficult, proved to be an energizing challenge for him. And a successful one. In the 2024 Paralympic Games, he won a bronze medal for the long jump.

Wallace is the CEO and founder of the RIVL Foundation, which focuses on prosthetic innovations, amputee rehabilitative research and community outreach. He has also collaborated with prosthetic companies to help make running blades more cost-effective and accessible.

He graduated from UGA with his bachelor's degree in 2019 and lives near Athens with his wife, Lea, and two sons.

ALMA MATER

From the hills of Georgia's northland
Beams thy noble brow,
And the sons of Georgia rising
Pledge with sacred vow.

'Neath the pine trees' stately shadow
Spread thy riches rare,
And thy sons, dear Alma Mater,
Will thy treasures share.

And thy daughters proudly join thee,
Take their rightful place,
Side by side into the future,
Equal dreams embrace.

Through the ages, Alma Mater,
Men will look to thee;
Thou the fairest of the Southland,
Georgia's Varsity.

CHORUS

Alma Mater, thee we'll honor
True and loyal be,
Ever crowned with praise and glory,
Georgia, hail to thee.

By J.B. Wright, Jr., Class of 1912
Third verse by Gail Carter Dendy, A.B. '74, M.A. '81

UGA is celebrating the 25th anniversary of the Athens campus' designation as an arboretum. The arboretum serves both educational and campus beautification missions, acting as a natural extension of the classroom.
