

UNIVERSITY OF GEORGIA COMMENCEMENT

THE GRADUATE SCHOOL

MAY 7, 2026

Chartered by the state of Georgia in 1785, the University of Georgia is the birthplace of public higher education in America. What began as a commitment to educate and inspire the next generation grows stronger today through hands-on experiential learning, global research, and extensive outreach. The University of Georgia tackles some of the world's grand challenges—from combatting infectious diseases and securing the world's food supply to promoting economic vitality. Our nation's great tradition of public higher education is rooted in the Classic City of Athens, and Georgia's flagship university continues to be a leader in higher education.

ACADEMIC REGALIA, MACE, AND CHAIN OF OFFICE

The history of academic dress dates back to the Middle Ages. In the late 19th century, representatives from American colleges and universities met at Columbia University to make recommendations for the dress code in use today. Bachelors' gowns have closed fronts and long pointed sleeves. Masters' gowns have oblong sleeves open at the wrists. The rear part of the oblong shape is square cut, and the front part has an arc cut. Gowns may be worn either open or closed. Doctors' gowns have bell-shaped sleeves, velvet facings down the front, and three bars across the sleeves. The colors of these facings and crossbars represent the subject to which the degree pertains.

Hoods are the most distinctive feature of the American code and are generally black. All are lined in silk with the official colors of the university or college conferring the degree. The University of Georgia colors are red and black. The binding or edging of the hood is velvet, with the color often indicative of the degree being awarded.

The black mortarboard cap and tassel is worn for all degrees. Bachelors' degrees have color tassels appropriate to the subject. The black tassel is worn for all advanced degrees. The colors associated with the subjects are as follows:

Agriculture / <i>maize</i>	Law / <i>purple</i>
Arts and Letters / <i>white</i>	Music / <i>pink</i>
Business and Accounting / <i>drab</i>	Pharmacy / <i>olive green</i>
Education / <i>light blue</i>	Philosophy / <i>dark blue</i>
Engineering / <i>orange</i>	Public Administration / <i>peacock blue</i>
Environmental Health / <i>mint green</i>	Public Health / <i>salmon pink</i>
Family and Consumer Sciences / <i>maroon</i>	Science / <i>golden yellow</i>
Fine Arts and Landscape Architecture / <i>brown</i>	Social Work / <i>citron</i>
Forestry and Natural Resources / <i>russet</i>	Veterinary Science / <i>gray</i>
Journalism / <i>crimson</i>	

The 48-inch mace is made of mahogany with the seal of the University on four sides. It is engraved with the name of each School or College at the University of Georgia and the year of its founding. The Grand Marshal leads the academic processional carrying the mace.

The chain of office features a silver medallion of the University of Georgia seal. The chain lists the twenty-two presidents of the University of Georgia and their years of service. The chain of office is worn by the President of the University at each Commencement ceremony.

FEATURED SPEAKER

MARGARET A. AMSTUTZ *Dean, Jere W. Morehead
Honors College
University of Georgia*

Margaret A. “Meg” Amstutz is dean of the Jere W. Morehead Honors College at the University of Georgia, where she leads college operations as well as the campus-wide Center for Undergraduate Research Opportunities and the Foundation Fellowship, the university’s top academic scholarship. In 2026, for the second consecutive cycle, the Morehead Honors College was ranked No. 1 among honors programs and colleges nationwide by College Transitions.

Prior to joining the Morehead Honors College in 2022, Amstutz served as associate provost for academic programs and chief of staff in UGA’s Office of the Senior Vice President for Academic Affairs and Provost. She was a key advisor and led campus-wide initiatives, including managing the Women’s Leadership Fellows Program, coordinating the university’s Signature Lectures, and co-chairing the UGA Commencement Committee.

From 2019 to 2023, she served as UGA’s accreditation liaison to the Southern Association of Colleges and Schools Commission on Colleges. Through her leadership, the university ensured its compliance with accreditation requirements. UGA received zero recommendations from SACSCOC on compliance with the 72 standards, equating to a perfect score in the intensive reaffirmation process.

Amstutz’s work in the University System of Georgia began in 1997 with 16 years of service in UGA’s Office of the President, including six years as chief of staff. She holds the Jere W. Morehead Distinguished Professorship and holds a courtesy appointment in the Department of English. From 2017 to 2018, Amstutz served as interim president of the College of Coastal Georgia, a state college in the University System of Georgia. Amstutz is a past president and current officer of UGA’s chapter of Phi Beta Kappa, Alpha of Georgia, and is an advisor to UGA’s chapter of the Blue Key Honor Society.

A native of Chattanooga, Tennessee, she received her bachelor’s degree in English from Centre College in Danville, Kentucky, and master’s and doctoral degrees in English and American literature from Washington University in St. Louis.

ALMA MATER

From the hills of Georgia's northland
Beams thy noble brow,
And the sons of Georgia rising
Pledge with sacred vow.

'Neath the pine trees' stately shadow
Spread thy riches rare,
And thy sons, dear Alma Mater,
Will thy treasures share.

And thy daughters proudly join thee,
Take their rightful place,
Side by side into the future,
Equal dreams embrace.

Through the ages, Alma Mater,
Men will look to thee;
Thou the fairest of the Southland,
Georgia's Varsity.

CHORUS

Alma Mater, thee we'll honor
True and loyal be,
Ever crowned with praise and glory,
Georgia, hail to thee.

By J.B. Wright, Jr., Class of 1912
Third verse by Gail Carter Dendy, A.B. '74, M.A. '81

A large tree with white blossoms in the foreground, a paved walkway with black lampposts, and people walking in the background.

UGA's Campus Arboretum serves classes in botany, forestry, ecology, horticulture, landscape architecture, art and photography as a natural extension of the classroom.
